**Re: *United States v. Joshua Adam Schulte*
17 Cr. 548 (PAC)**

Dear Judge Crotty:

The defense respectfully requests that the Court halt jury deliberations temporarily and conduct an individual *voir dire* of jurors 2-11 to ensure that they were not exposed to prejudicial extra-record information from former Juror 5. Such an inquiry is necessary because the Court currently only has the information received in the robing room from Juror 1 and former Juror 5. See *United States v. Gaggi*, 811 F.2d 47, 52 (2d Cir. 1987) (noting that the district court held, not one but two, *voir dires* of each juror ...to determine the extent of the juror's exposure" to extrajudicial information).

Thank you.

Respectfully submitted,
